kuna.patryk@gmail.com | linkedin.com/in/patrykkuna | patrykkuna.com

Skills

Programming Languages	HTML · CSS · JavaScript · C++ · Python · SQL
Framework technologies	React.js · Bootstrap
Tools & Platforms	GitHub · Netlify · VS Code · Adobe Photoshop

Experience & Projects

Sneaker release app

- Developed a web application that provides information on upcoming fashion trends, allowing users to track the latest releases, receive updates on current drafts, sales, and read news from the sneaker community.
 - Implemented React.js in order to fetch data from Firebase.
- dropsoon.pl

Sports event website

- Designed the graphics and provided data on sports disciplines for a school event.
 - Created a simple and uncluttered design for a clean and user-friendly experience.
 - Asked the community about their experience and made design changes.
- dziensportu.info

Education

III Liceum Ogólnokształcące im. Stefana Żeromskiego

Sep 2020 - April 2024

- learned about C++, SQL and web development
- completed various projects and courses

Szkoła Podstawowa im. Jerzego Kukuczki

Sep 2012 - June 2020

- familiarized myself with basic design structures as chief editor of school's newspaper
